Corporate Keynote & Workshop Presentations

Innovation – Creative Thinking – Team Building

“Think like a Magician – The Secrets of Creative Innovation” - Keynote

The long-term growth & success of every business is intrinsically linked to how much emphasis they place on Innovation and Creativity. Likewise, for an individual, their long term career advancement and business options are tied to these same skills.

In this powerful and highly entertaining Keynote, Timothy Hyde will change the way you think! Learn how and be inspired to - **Achieve the Impossible** and grasp your own **Magical Vision**. Become more creative, more productive and have more fun while you do it!

Breakthrough concepts in Business Creativity & Innovation. Thinking way beyond "Outside the Square" Perfect Kickoff or closer for any Conference or Convention..

"Brilliant Thinking" – The Workshop / Training

Interactive "Hands-On" workshop session with incredible "take home" value.

Creative Thinking, Innovation, Motivation, Problem Solving – Thinking Outside the Square Communication Skills, Personality Types, Memory skills. Flexible modular approach allows the event to be designed around your desired outcomes.

1hr – Half Day – Full Day. Customised for your group. Easily combined with the "Goldmine" Team Building simulation for a powerful full day of learning and fun.

Clients include - **Institute of Chartered Accountants, Protiviti, Calliden, Auswild & Assoc.**

"Brilliant Teams" Teambuilding Workshop

Two different Workshops available. The modular "Brilliant Teams" event and the world renowned experiential learning simulation "The Search for the Lost Dutchman's Goldmine".

Both are Serious Fun with a Powerful Message!

Highly entertaining, interactive and powerful exercises stressing collaboration, strategic planning, resource management and goal setting.

Flexible sizing and timing. Powerful debriefing able to focus on any current real world challenges.
